The Lambeth Conference

Pray for Lambeth 2008

We invite you to pray for the worldwide Church, united by faith in Jesus Christ, as we gather together in Canterbury, England, for the 10th Lambeth Conference on the occasion of the 100th anniversary of the 1898 Lambeth Conference.

The 10th Lambeth Conference is a landmark occasion for the worldwide Church, and a unique opportunity for delegates to witness the power of the Holy Spirit when all are united in prayer.

Our intention is to have the worldwide Church, in prayer, united in a common prayer for the delegates who gather in Canterbury for prayer.

If you are interested in how you can pray for the delegates, please contact the Secretary of the Conference at secretary@lambethconferences.org or write to the Secretary of the Conference at the University of Kent, Canterbury, Kent, UK.
